

4 Courses

Cloud Security Basics

Cloud Data Security

Cloud Application Security

Cloud Top Ten Risks

Aug 4, 2023

Ron Addams

has successfully completed the online, non-credit Specialization

Cybersecurity in the Cloud

In this Specialization, learners developed skills in assessing and documenting security risks and identifying available defenses to address them.

Richard E. Smith, PhD,
CISSP

Lecturer in Software
Engineering
Department of
Computer Science and
Engineering

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
